MEMORANDUM

SUBJECT: Relevance to Glendale South OU of Glendale North OU order-of-magnitude cost estimation memoranda (3/19/92, 3/25/92 and 3/26/92) for waste brine disposal

FROM: Kevin P. Mayer, H-6-4 *KPM*

TO: Glendale South OU File

Several memoranda in the Glendale North OU Administrative Record are relevant to development of cost estimations for waste brine disposal in the Glendale South OU. These documents (Glendale North OU Administrative Record Numbers 236, 239 and 241) were meant to provide for order-of magnitude cost estimation. The proximity of the Glendale South OU to the Glendale North OU along with the similarity of the brine production facility at the two OUs would allow the estimate developed for Glendale North OU to reasonably approximate the costs for the Glendale South OU.
